Dear Mr. Janzer and Board Members:

On behalf of myself, Doctor Andrew Yetter, and the entire staff of the Vince Lombardi Cancer Center of Manitowoc County, please accept our sincere appreciation for the chemotherapy caps the staff of your Chemo Cap Crew have made available to our patients over the past several years.

The hats offer the patients something to smile about during what can be an otherwise difficult time in their lives. We thank both you and your employees for sharing with us.

Again, please accept our sincere appreciation for this generous act of kindness.

Sincerely,

Edward J. Barylak, M.D.
